

OPENING CEREMONY

Opening Ceremony was a big hit!

The top and bottom courts were buzzing with eagerness and excitement, as each and every class in our school waited patiently for the parade to begin. The courts were one big rainbow as the nations started the parade up the teacher's car park, along Victoria Avenue, and down Dragon Drive. Once in a while, cars passing by stopped to admire all the vibrant colours and flags and listen to the songs and chants we were singing. Each country walked down the Dragon

Drive to their national anthem and we all piled around the perimeter of the field, or should I say, soccer pitch. We were very privileged to have a professional soccer juggler, Oliver Bowman, to show off his skills and 'wow the crowd'. And then, the time we had been waiting for, the game of Spain vs Argentina. Both teams stood respectfully for each other's anthems, and the match began. Spain was a strong team, but Argentina were the slightest bit stronger as the score at the

end of the game was 1-0 to Argentina. Yet Spain were still hopeful for the Round Robin Tournament on Friday where they will be competing with Argentina yet again.
