ESPAÑA ES EL MEJOR
PAÍS DEL MUNDO!
VAMOS ESPAÑA!

The parade was held at the beginning of the ceremony. We all started at the bottom court, then we walked up to the top courts, then we walked out of the teachers driveway gate and onto the pathway of the street. We walked along to Dragon Drive then down the first part of the dragon drive. We all had to stop at the top of Dragon Drive. Then we walked down Dragon Drive to the sound of the National Anthems of all of the countries. Before Spain and

Argentina versed each other, Oliver Bowman did some amazing tricks. He is a professional. We all stared at him with awestruck faces. Everyone cheered and held up their flags at the end of his tricks. Then the real fun began. Argentina scored the first goal but Spain almost scored a goal but Harrison stopped it. Nick almost scored a goal but Harrison did a very good save.... AGAIN. William blocked a goal almost scored by Argentina. In the end the

score was 1-0 to Argentina but Spain is still hopeful for Friday. Spain will vs Argentina again on Friday. Viva España!
