Dear Parent/Guardian,

The National Bank, Remuera Branch operates school banking with Victoria Avenue School every Wednesday from 8:15am.

This is a great opportunity to start your child on the path to saving and it will teach them important skills as they start to manage their money.

Your child will receive his or her own account record booklet to record deposits and withdrawals. Once they receive a savings goal of \$25 we reward them with a special National Bank Pencil Case complete with eraser, pencil, ruler and sharpener.

To open a school plus account for your child please complete the application form available on the school's website in the School A-Z on the Our School page at www.victoriave.com and return it to Room 20 on Wednesday mornings, along with identification for you and your child.

Once an account is open we will send confirmation of the account details.

For more information please ask at the office or call Helene Matthews at The National Bank Remuera on 0800 18 18 18 or email: helene.matthews@nbnz.co.nz

Yours Sincerely,

Helene Matthews
